Dear Friend:

Please accept my apologies for not replying earlier to your last year's letter to the Alan Burke Show on WNEW-TV. It is only today that it reached me, having been mailed by WNEW two days ago, May 25, 1967.

Perhaps the enclosed form answers your question, if you have been unable to obtain WHITEWASH since writing Mr. Burke. You will notice that I have since published the second part of this book. The third and additional parts will be available soon. We maintain a mailing list of those wishing to be notified.

In some areas a reprint of the first book is available.

Thank you for your interest, and again my apologies for the delay in responding.

Sincerely,

Harold Weisberg
